

OTO PROTEC®

TO PROTECT YOUR INVESTMENT!

ANTITHEFT MARKING

Since 1991, Otoprotec's professional marking has protected thousands of vehicles, without the cost and troubles of an alarm system thereby offering a far superior efficiency.

- Discreet and aesthetical marking
- Number of parts etched conforms to the requirements

- Unique code allowing to trace back the serial number

- Electronic data base accessible by authorities

- Transferable

- Acknowledged by insurance companies.
