

## PROCEDURE FOR TAKING PICTURES

1. Cut the coupon corresponding to the rusty area to be photographed.
2. **Frame the picture and place the corresponding coupon near the zone.**
3. **Take at least 2 pictures of each zone.** (Make sure we can see the place of rust)
4. Take a picture of your odometer (kilometers)
5. Take a picture of the cabin where you should see the center console.
6. Take a picture of the vehicle.
7. Take a picture of your warranty.
8. Take a picture of the serial number (VIN).
9. Take a picture of the car registration.
10. In case of any doubts, don't hesitate to take extra pictures.
11. Forward the pictures by email to **reclamation@otoprotec.com**. When we receive the pictures, we will analyze and communicate with you as soon as possible. We will get back to you within two weeks after reviewing your request.

Important: If your mailing address is not the same as the one on your warranty, please let us know at the same time.
